

RANDLE SIDDELEY

LANDSCAPE ARCHITECTURE, CONSTRUCTION & MAINTENANCE

Georgina Viney Photography

Randle Siddeley Limited is a leading landscape architecture, construction and maintenance company.

Established by Randle Siddeley, over 48 years ago, combining his passion for landscape design and attention to detail. RSL's Design Team specialises in designing landscapes and gardens for private residences and commercial developments all over the world. The Construction Division often works closely with their Design Team or with other landscape industry established and admired designers, to construct beautiful gardens and other spaces.

They take pride in their gardens and landscapes looking established and developed from the moment they are completed. Their Maintenance Division includes a team of garden and landscape maintenance experts who work to ensure that your outdoor space continues to look immaculate. The full-service maintenance package is tailored to suit your requirements for your private residences, retail, hospitality or other commercial buildings.
